

APACE AID INC

Native Plant Subsidy Scheme

2026

APACE AID INC. 1 Johannah St, North Fremantle, Western Australia. 6159 | P: (08) 93361262 | ABN: 700 978 074 40

Nursery Manager Anna Kosiarski (centre), with some of our nursery technicians & volunteers.

Our community nursery, on the banks of the Derbarl Yerrigan (Swan River), specialises in the propagation of native plants of Noongar Boodjar (the Swan Coastal Plain and Darling Scarp). Our team of nursery technicians, led by Nursery Manager Anna Kosiarski, is supported by committed volunteers working together to grow and care for our diverse array of native seedlings.

For 2026, we offer residents of our participating councils close to 200 species, some of which are endangered – a mix of ground covers, shrubs, trees, sedges and grasses.

Forestry tubes cost \$6 each shared equally between the council and residents (\$3 council, \$3 resident).

Native Plant Subsidy Scheme is running exclusively May 1st – May 30th, 2026.

Residents are welcome to purchase more than their individual council quota if they wish. For any extra purchases on the day, forestry tubes are sold at \$6/ea (inc. GST) for payment by card, merchant fees will apply.

THANK YOU TO OUR PARTICIPATING COUNCILS 2026

Plant list below to be used as an indication of available species being propagated by Apace Nursery. Quantities and availability subject to change

| Genus & Species | Genus & Species |
|-----------------------------|------------------------------------|
| Acacia acuminata | Banksia repens |
| Acacia cochlearis | Banksia telmatiaea |
| Acacia cyclops | Callistachys lanceolata |
| Acacia dentifera | Callistemon phoeniceus |
| Acacia extensa | Callitris preissii |
| Acacia huegelii | Callitris pyramidalis |
| Acacia lasiocarpa | Calothamnus quadrifidus |
| Acacia lasiocarpa Prostrate | Calothamnus sanguineus |
| Acacia microbotrya | Carex fascicularis |
| Acacia pulchella | Carpobrotus virescens |
| Acacia rostelifera | Casuarina obesa |
| Acacia saligna | Centella asiatica |
| Acacia splendens | Corymbia calophylla |
| Acacia stenoptera | Corymbia ficifolia |
| Acacia truncata | Cymbopogon ambiguus |
| Acacia xanthina | Daviesia decurrens |
| Acanthocarpus preissii | Daviesia divaricata |
| Agonis flexuosa | Dichondra repens |
| Allocasuarina fraseriana | Dielsia stenostachya |
| Allocasuarina lehmanniana | Dodonaea hackettiana |
| Alyogyne hakeifolia | Enchylaena tomentosa |
| Alyogyne huegelii | Eremophila calorhabdos x splendens |
| Anigozanthos manglesii | Eremophila complanata |
| Anigozanthos viridis | Eremophila denticulata |
| Atriplex cinerea | Eremophila glabra Kalbarri Carpet |
| Atriplex isatidea | Eremophila glabra subsp. albicans |
| Austrostipa elegantissima | Eremophila glabra Upright |
| Austrostipa flavescens | Eremophila subfloccosa |
| Banksia attenuata | Eremophila subteretifolia |
| Banksia attenuata Dwarf | Eremophila weldii |
| Banksia blechnifolia | Eucalyptus beardiana |
| Banksia burdettii | Eucalyptus caesia ssp. caesia |
| Banksia grandis | Eucalyptus decipiens |
| Banksia leptophylla | Eucalyptus erythrocorys |
| Banksia littoralis | Eucalyptus erythronema |
| Banksia menziesii | Eucalyptus foecunda |
| Banksia menziesii Dwarf | Eucalyptus gomphocephala |
| Banksia petiolaris | Eucalyptus kruseana |
| Banksia prionotes | Eucalyptus macrocarpa |
| Banksia prionotes Dwarf | Eucalyptus marginata |
